LIFE ENHANCING MINIMALISM

Clodagh passionately believes that good design supports well-being and that it can transform people's lives. Clodagh's design mantra is cleanse, clarify, contemplate, and create.

Shown with Clay top, Walnut cabinet and optional ABC System

The Gemini, with a combination of simplicity and functionality has become the choice of top spas in the world. Featuring Oakworks unique 4 electric motor system and now standard with a removable and replaceable padded top, the guest experience is unparalleled. The clean lines foster a sense of elegant simplicity, while the custom-designed cabinetry, complete with electrical outlets inside the cabinet, adds a functionality that makes incorporating a hot towel cabi a convenient reality.

Bluetooth Speaker System (Optional)

Delivers excellent quality stereo sound via any Bluetooth connected device.

Programmable Hand Control

This control has two user programmable memory positions and the ability to change two settings at once with a single button. The simple interface makes positioning clients fast and the new electronics are quiet and smooth in operation.

Integrated Heated Top (Optional)

Our new system is imbedded in the foam, creating a more even heat, and has three settings. The heating element automatically shuts off after 10 hours providing peace of mind for safety and energy conservation.
