Mattes Chair by OAKWORKS®

OPERATION INSTRUCTIONS

CAUTION
MAXIMUM WORKING LOAD RATING
300 LBS. (136 KG)

UNPACKING

1. Remove the optional pad from the box (if ordered).
2. Remove the carry strap from the box.
3. Remove the chair from the box & place it on a protected floor or table with the legs up. (Figure 1)

CHAIR SET UP

1. Unfasten leg strap. (Figure 2)
2. Unlock 2 leg safety clamps. (Figure 3)
3. Lift legs and put horizontal leg tube into the safety clamp nest. (Figure 4) Note that the height is adjustable depending on nest chosen. Feet should easily touch the ground and thighs at 90° or sloping slightly downward. Choose the middle height for the average. (Figure 5)
4. Securely lock both safety clamps making sure lock is fully seated. (Figure 6) CAUTION: Leg safety clamps must always be locked when in use.
5. Turn chair over and stand it on the floor. (Figure 7)
6. Raise backrest into position and adjust backrest height using knob on the rear of the backrest. Note: there is a handle for moving the chair around the room. (Figure 8)
7. The optional pad can be installed on the rear of the backrest by placing the pad pocket over the backrest. (Figure 9)
1. Folding the chair is basically the reverse of the set up.

2. Remove pad (if necessary), fold down backrest, turn chair over. Be sure the Velcro® straps are inside of the legs (Figure 14). Unlock leg safety clamps, lift tube out of nest and fold legs with two legs pointing one way and two legs pointing the opposite way. Re-lock leg safety clamps. Wrap Velcro® leg strap around legs first then around the chair to secure using Velcro® attachment. (Figure 15, 16 & 17)

CHAIR TRANSPORTATION

1. Attach chair carry shoulder strap to the two chair hooks at the rear of the seat. (Figure 18)

2. Lift chair and place strap for most comfortable length. (Figure 19)

CLEANING & MAINTENANCE

**CLEAN** your upholstered items when needed using a mild solution of 4:1 diluted non-alcohol cleaner such as Formula 409®, Fantastik®, or Green Windex®

**DISINFECT** your fabric with Protex, MadaCide, MadaWipe, Accell TB, Virox® (Canada), or a diluted 1/10 bleach solution. Dry immediately after cleaning to remove excess cleaning solution.

**DO NOT** use citrus based cleaners or other strong cleaners, such as alcohol, acetone, higher concentrations of bleach or other products that contain high concentrations of these substances.

**DO NOT** expose the fabric to temperatures below 32°F/0°C or above 95°F/35°C.

**DO NOT** expose the fabric to direct sunlight, adhesives, liquids, or abrasive materials.

**FAILURE TO FOLLOW RECOMMENDATIONS WILL VOID THE WARRANTY ON THE FABRIC.**
